

## PRESS RELEASE

LOS ANGELES - The **Hollywood Reel Independent Film Festival** returns for 2012.

The 9<sup>th</sup> **Hollywood Reel Independent Film Festival** (HRIFF) returns to the New Beverly in December to screen their most extensive program to date, including new work from **Bryce Dallas Howard** and **Ron Howard**; **Uwe Boll**, appearing in person with his cast for the North American Premiere of **Bailout: The Age of Greed**; **Don Hertzfeldt**'s **It's Such A Beautiful Day**; a live set by **Rick Shapiro** (Project X); the World Premiere of **Manos: The Hands of Fate in HD**; and World Premiere restorations in the "**1960s and 1970s Films of Tinto Brass**" retrospective.

HRIFF is proud to screen the newest animated film from the Academy Award Nominated filmmaker **Don Hertzfeldt**: "**It's Such A Beautiful Day**" which is the name the third and final installment of the three "Bill" stories and also the name of all three films joined as one full length feature animated opus.

Hand animated with great care by a filmmaker known for his commitment to film and film houses as well as a commitment against commercialism of artistic works, Mr. **Hertzfeldt** is one of the last of a dying breed of artists and craftsmen and this is the culmination of years of focused work that is as touching as it is hilarious.

Recent guests and winners: **Gerard Depardieu**, **Hilary Duff**, **Danny Masterson**, **Tyler Blackburn**, **Laura Prepon**, **Haylie Duff**, **Alex Meraz** (Twilight), **John Robinson** (Lords of Dogtown), **Jeremy Sisto**, **Gary Cole** and **Danny Strong** (Mad Men).
