

## PRESS RELEASE

LOS ANGELES - The 2012 **Hollywood Reel Independent Film Festival** is proud to screen the American premiere of **Uwe Boll's** new film, **Bailout: The Age of Greed**.

The 9<sup>th</sup> **Hollywood Reel Independent Film Festival** (HRIFF) returns to the New Beverly Cinema in December 2012, to screen their most extensive and ambitious program to date. Over 70 films will be featured, including the U.S. Premiere of **Uwe Boll's Bailout: The Age of Greed**.

**Bailout: The Age of Greed** is a thriller that looks at the effects of Wall Street's 2008 financial crisis on an average American pushed to the brink when he loses his savings and decides to take revenge. Inspired by movies like *Taxi Driver* and *Falling Down*, this film continues **Uwe Boll's** evolution from helming video game franchises (**BloodRayne** and **Dungeon Siege**) and achieving fame for challenging (and fighting) his harshest film critics in boxing matches to being an auteur of bizarre comedies and innovative thrillers like **Postal**, **Rampage** and **Darfur**.

**Bailout** stars Dominic Purcell, Edward Furlong, Erin Karpluk, John Heard, Keith David, Michael Pare, Clint Howard, Natassia Malthe, Michael Eklund and Eric Roberts. **Q&A** with director, **Uwe Boll**, and the entire cast and crew of **Bailout** will follow the American premiere at **HRIFF 2012**.

HRIFF is held Dec 3-12<sup>th</sup> 2012 in Los Angeles, CA.

Dec 3-5 at the New Beverly Cinema 7165 W. Beverly Blvd, Hollywood, CA 90036

Dec 6-12 at Bellvarado Studios 2107 Bellevue Avenue, Los Angeles, CA 90026
